

## Nancy O'Sullivan – Lone Pine High School Principal

Nancy O'Sullivan was born to Frank and Shirley O'Sullivan and has lived in Southern California her whole life. She attended Bishop Amat High School and continued to Mt. San Antonio College where she played basketball and earned her Associate of Arts degree. She continued to BIOLA University on a basketball scholarship and played basketball for two years at BIOLA. In her last year of studies at BIOLA, her father passed away so she took the rest of the semester off. She has continued learning ever since and has earned a Bachelor of Arts in Psychology, Master of Science with an emphasis in Physical Education, Masters of Art in Educational Leadership, a single subject Teaching Credential and an Administrative Service Credential. Because she considers herself a lifelong learner, her next academic endeavor will be a Doctorate Degree!

Nancy is not new to education; she has worked in schools her entire adult life. She began her career teaching and coaching at the community college level and moved on to be an Athletic Director at two different high schools in Southern California. Her first administrative assignment was in Oxnard as a Vice Principal. Nancy went on to be a Principal at two high schools and most recently a Principal at an elementary school. Her experience is vast, encompassing elementary school through community college, focusing primarily at the secondary level.

Nancy's brother, Frank passed away last year and Nancy is very close to her sister, Anne. Nancy has twin nephews and two nieces and her family is her prize possession. Nancy will reside in Lone Pine with her dog Shaylee and loves to fish, hike and take pictures. She is very excited to motivate the students, inspire the teachers, and cultivate the community of Lone Pine. Check out her website at [nancyosullivan.com](http://nancyosullivan.com) for more information.
